CenterStage Math Grade 1 Centers

Number Sense, Place Value & Fractions										
Addition & Subtraction										
Patterns, Sorting & Problem Solving										
Geometry & Measurement										
Money, Time & Graphing										

CenterStage Math Grade 2 Centers

Number Sense & Place Value										
Addition & Subtraction										
Multiplication, Division Readiness & Fractions										
Geometry & Measurement										
Problem Solving, Graphing & Algebra										

CenterStage Math Grade 3 Centers

Number Sense & Place Value										
Number Operations & Algebra										
Fractions & Decimals										
Geometry & Measurement										
Graphing & Probability
